Subject: Acceptance of Amended Notice of Intention to Large Mining Operations,
Interstate Brick Co., Five Mile Mine Property, M0450006, Tooele County, Utah

Dear Mr. Hewitt:

The Division has reviewed your Property Map for the Five Mile Mine Property for the Large Mining Operations (NOI) and finds the map complete. We have added the Property map to your NOI. Please find attached an approved property map page for your records.

In the future, please make changes in the NOI and submit replacement pages together with the MR-REV form available on the Division's web site at https://fs.ogm.utah.gov/pub/MINES/Minerals_Related/FORMS

Please be advised that you are bound by the same mining and reclamation standards as outlined in the original NOI and must receive written acceptance from this office prior to creating any additional disturbance. Any disturbance made outside the permitted private ground, must also be coordinated with the proper agency, either BLM or SITLA.

Thank you for your cooperation. When in the area, a member of the Division staff will inspect the site. In reply, please refer to file number S0450069.

Sincerely,

Paul B. Baker
Minerals Program Manager
